in the colonel alanna nash the author of golden girl the story of jessica savitch explores in depth the amazing story of colonel tom parker the man behind the legend and the myth of elvis presley the result is a book that reads like the most riveting of real life detective stories one that will completely change your view of presley s life success and death while scores of books have been written about elvis presley this is the first meticulously researched biography of tom parker written by someone who knew him personally and for anyone truly interested in the performer many consider the greatest and most influential of the twentieth century it is impossible to understand how elvis came to be such a phenomenon without examining the life and mind of parker the man who virtually controlled elvis s every move alanna nash has been covering the story of elvis presley and colonel tom parker since the day of presley s funeral in memphis tennessee she was the first journalist allowed to view presley s body a compelling and surprising sight but the profile of parker attending the funeral in a hawaiian shirt and a baseball cap was even stranger and led her to investigate the man behind the myth it has been known for twenty years that thomas andrew parker was in fact born in holland as andreas cornelis van kuijk but nash has dug much deeper and in a masterpiece of reporting unearthed never before seen documents including parker s army records and psychiatric evaluations and the original police report of an unsolved murder case in holland that lies at the heart of the parker mystery in the process of weighing the evidence she answers the biggest riddle in the history of the music industry as it becomes clear that every move parker made in the handling of elvis presley from why he never allowed elvis to perform in europe to why he didn t halt elvis s drug use to why he put him in so many mediocre movies and even the colonel s direction of presley s army career was designed to protect parker s own secrets filled with startling new material her book challenges even the most familiar precepts of the presley saga everything we presumed about parker s handling of the world s most famous entertainer must now be reevaluated in the light of information nash reveals about parker who cared little for presley beyond what the singer could do to bolster the colonel s precarious position as an illegal alien elvis presley as one of parker s unwitting victims paid a major price for the colonel s past and his overwhelming need to be more important than his client as a result presley was never allowed to reach his potential and died in drug induced frustration over his stunted and mismanaged career in this astonishing impeccably written and vastly entertaining book nash proves that the only figure in american popular culture as fascinating as elvis presley is colonel tom parker the man who shaped elvis who in turn helped shape us

almost the only indisputable fact about colonel tom parker is that he was the manager of the greatest performer in popular music elvis presley his real name wasn t tom parker indeed he wasn t an american at all but a dutch immigrant called andreas van kujik and he certainly

wasn't a proper military colonel he purchased his title from a man in Louisiana but while the colonel has long been acknowledged as something of a charlatan this book is the first to reveal the extraordinary extent of the secrets he concealed and the consequences for the career and ultimately the life of the star he managed as Alanna Nash's prodigious research has discovered. The colonel left Holland most probably because at the age of twenty he bludgeoned a woman to death entering the US illegally. He then enlisted in the army as Tom Parker but with supreme irony for someone later styling himself as Colonel Parker's military career ended in desertion and discharge after a psychiatrist had certified him as a psychopath. He then became a fairground barker working sideshows with a zeal for small scale huckstering and the casual scam that never left him and by the height of Elvis's success Parker had become a pathological gambler who at the same time as he was taking amazingly a full 50% of Presley's earnings frittered away all his wealth in the casinos of Las Vegas as Nash shows. Therefore the often baffling trajectory of Elvis Presley's career makes perfect sense once the secret imperatives of the colonel's life are known. Parker never booked Presley for a tour of Europe because of the dark secret that ensured he himself could never return there even at his most famous Elvis was still being booked to play out-of-the-way towns in North Carolina because the former fairground barker who shamelessly negotiated as such even with top record company and film executives knew them from his days on the circus circuit and Elvis was trapped playing years of arduous seasons in Las Vegas two shows nightly seven days a week until boredom and despair brought on the excessive drug use that killed him because for Parker he was an open chit whose huge earnings prevented his manager's losses at the gambling tables being called in. Alanna Nash knew Parker towards the end of his life and has now uncovered the whole story improbable, shocking and never less than compelling of how this larger than life man made and then unmade popular music's first and greatest superstar.

Based on unprecedented original research and interviews with insiders this authoritative investigative biography of Colonel Tom Parker 1909-1997 Elvis Presley's lifelong manager includes new revelations and insights into the music industry's most notorious and mysterious manager. Investigative journalist and music writer James L. Dickerson looks at topics such as Parker's illegal entry into the United States his work as a carny with Royal American Shows and his management of country singer Eddy Arnold his partnership with Hank Snow and how he manipulated Elvis Presley and his family to seize control of the singer's career destroying career in the process. The book which covers Parker's life and career from birth to his death examines Parker's greed his indebtedness to behind the scenes players in Las Vegas his gambling addiction and his fear of deportation played a role in ruining Elvis's career because Colonel Parker was always there with Elvis gazing ominously over his shoulder. The book presents behind the scenes glimpses of the entertainer's career that you will read nowhere else thanks in part to the author's personal and professional relationship with Elvis's first guitarist Scotty Moore with whom the author wrote two revealing books.

Colonel Tom A. Parker the chief potentate of show business by Darrin Lee Memmer features groundbreaking content from the colonel's for the record interview with 2 astute take no

prisoners criminal investigators mr e l hutchinson jr and mr david mcgriff from the shelby county district attorney general s office rest assured that this is no whitewash or rose colored approach to biography rather the most contemporaneously rich fair minded engaging collection of material about col parker to be assembled so for the 1st time in your life you have an opportunity to soak up a tsunami of never before published quotes by players such as mac davis sam thompson billy goldenberg john hartmann hal blaine bones howe john wilkinson grelun landon yvonne craig steve binder minnie pearl sam katzman oscar davis ron jacobs red west j schilling joe pasternak henri lewin freddy beinstock j leiber marty harrell jo walker hubert long johnny rivers pete johnson bill bixby and of course the chief potentate general de gaulle and the colonel as told by singer presents elvis producer director steve binder the colonel in my estimation is the wizard in the wizard of oz he is frank morgan the guy hiding behind a big black velour with lots of gadgets and neon signs lighting up and all and he s putting on the whole world the colonel tells this fantastic story he used to get calls from all over about elvis performing for troops and he gets a long distance phone call from general de gaulle who has an interpreter on the line then de gaulle s interpreter says the general would like elvis to perform for the french army the colonel says you got it but there is only one thing he said i have to charge general de gaulle the exact same amount of money to perform for the french army as i would charge president eisenhower to have elvis perform for the american army de gaulle s interpreter tells de gaulle and then says the general would like to know how much and the colonel says three hundred and fifty thousand dollars 350 000 the colonel hears de gaulle say in english that s a lot of f ckin money highlights 1 uncovered the i do drugs quote attributed to elvis via colonel is erroneous col parker s actual words to the criminal investigators quoting ep i don t i don t do drugs i don t i don t tell you what to do with your personal life i don t interfere with it i don t want you to get involved with my personal life colonel no disrespect 1a so sadly for 25 years superfans like geoffrey mcdonnell have been led astray 2 the most comprehensive presentation of the guardian ad litem s amended report blanchard e tual vs colonel thomas a parker the rca masters buy out to appear in a biography 3 sam thompson colonel was cursing some of these doctors and considering selling ep s contract 4 fifteen pages of fascinating singer presents elvis reflections vast majority unpublished by steve binder bones howe and billy goldenberg 5 a little doggie in danger the engaging account originally appeared in elvis monthly and is courtesy of mr todd slaughter and the oepfc of great britain url elvispresleyfanclub co uk 6 grelun landon no apologist the colonel didn t know about the pills during the mgm days this is pertinent to ein s excellent spotlight article entitled the dark side of colonel parker 7 the wrecking crew s hal blaine elvis asked me to go to las vegas for his first big opening i turned down 10 000 for the month 8 the fecc elvis forum has its jack valentine script mystery solved the university of memphis s preservation and special collections mississippi valley collection which include the trailblazing research interviews conducted by jerry hopkins charles c thompson ii and james p cole made this book honoring marie francis parker possible
