loans from international financial institutions ifi loans to china were a very important beginning to china s opening to the outside world this book represents the first comprehensive study done in china to evaluate the overall performance of ifi assistance to china from 1981 to 2002 it analyzes the efficiency of international assistance in contributing to the chinese economy by investigating the actual implementation of the projects and their economic financial social ecological and educational impacts it draws on successful cooperations between the chinese government and ifis analyzes major lessons in project management and provides recommendations on how to further develop international cooperations that are mutually beneficial angang hu is the director of the center for china studies and a professor at the school of public policy and management tsinghua university his research work is noticed by chinese

leadership and often influences government policies

this compilation probably looks like one of the craziest things a human being could spend his or her time on yet nobody would wonder at someone taking a short walk every day after twenty five years that person would have covered a surprisingly long distance this is exactly the story behind this list which appeared first as a few pages within the directory starguides or whatever name it had at that time and as a distinct sister publication since 1990 the idea behind this dictionary is to offer astronomers and related space scientists practical assistance in decoding the numerous abbreviations acronyms contractions and symbols which they might encounter in all aspects of the vast range of their professional activities including traveling perhaps it is a bit paradoxical but if scientists quickly grasp the meaning of an acronym solely in their own specific discipline they will probably encounter more difficulties when dealing with adjacent fields it is for this purpose that this dictionary might be most often used scientists might also refer to this compilation in order to avoid identifying a project by an acronym which already has too many meanings or confused definitions
